To whom it may concern:

We are very satisfied with the 160 mil Bluestone Premium Roofing System installed on our 48,600 square foot warehouse by Bluestone Inc.

*After reviewing nine other bids, we felt that the roofing system proposed by Gerry Beloin gave us the most value for the dollar spent.*

Although the re-roofing project took longer than anticipated, at no time were we inconvenienced or did we feel that quality was being sacrificed for the sake of expediency.

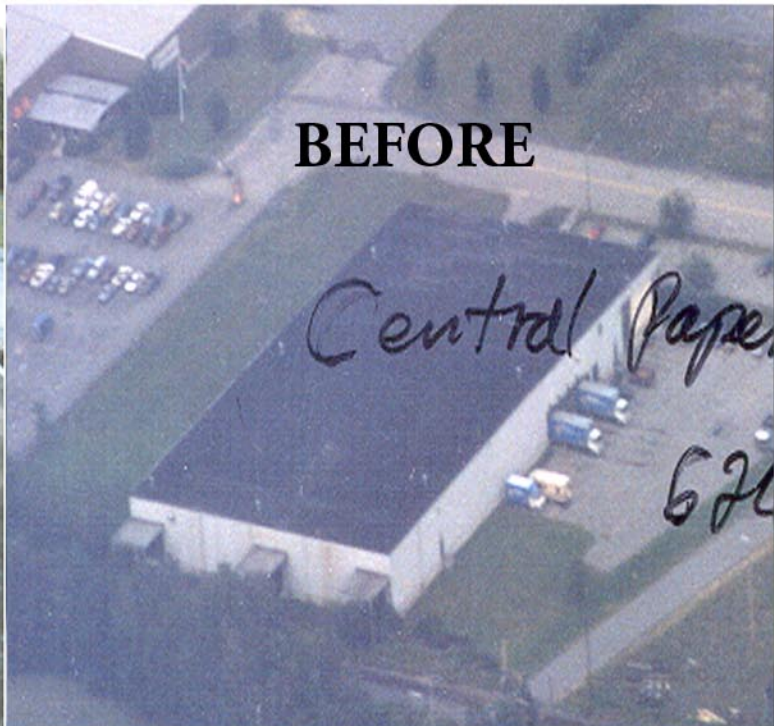

We are very pleased with our new Bluestone Premium Roofing System and we strongly recommend Gerry Beloin and Bluestone Inc. to anyone looking for complete roofing satisfaction.

Sincerely,  
Central Paper Products Company

Gordon A. Watson  
Controller
